Sir:

We are returning a copy of the original filing receipt for the above-noted application due to an error with its issuance. The number of total claims and the number of independent claims is incorrect. The total claims should be 18, not two (2); the independent claims should be two (2), not one (1). We have enclosed a copy of the claims, as filed, and a copy of the Official Filing Receipt with the correction indicated on the Receipt, for your reference.

Kindly issue a new, corrected filing receipt.

Respectfully submitted,
